Things going well for statistics.

Commissioner mentioned that there is an effort to set up a Girls-only meeting to talk about rostering, the number of teams, tier II qualification. Looking for an agenda in this area.

Since the loss of 112 games in the Great Snow of December 19/20, 110 have been rescheduled.

Not sure about the status of game 3201 between CCC and Raleigh U16 girls.

Vice-commissioner:

Match penalties appear to be on the rise due to stick and fighting infractions. The Clubs need to continue getting the word out about the consequences.

Clubs need to review coach level CPE to insure they have the appropriate level of CPE.

The latest list of levels is posted on the PVAHA website.

A College Fair is scheduled for March 27. See PVAHA website for details.

USA Hockey is entering into a sponsorship agreement with Underarmor for practice jerseys for younger-level house players. August delivery of the limited number of jerseys. Tier II Affiliate playoffs follow CBHL playoffs. For the Affiliate playoffs a best 2 out of 3 format will be used. Teams expecting to make these playoffs need to begin making arrangements for ice.

USA Hockey statistics show that the PVAHA Clubs are in the top 3 at registering players in the 4-8 age range.

On April 8-11 volunteers are needed for the Disabled Hockey League.

ADM roll out continues to change the culture of hockey in the US. The 8 and under levels first. Many affiliates are moving forward. Coaching education is also changing.
